

# HANDGUN LICENSING INFORMATION AND FEE SCHEDULE

## Effective July 1, 2006

On July 1, 2006 significant changes to the Indiana firearms licensing law will take effect due to the passing of House Bill 1176. This law creates a lifetime handgun license.

On July 1 renewals for an existing license will only be accepted 180 days or less from the expiration date. A new fee schedule also has been established. (See Below).

A component of the new application process will be to keep a full set of classifiable fingerprints on file so renewing applicants will not submit additional fingerprints. The application will also contain questions regarding citizenship and if the applicant is prohibited by court order from possessing a firearm.
